2. BASIS OF CONTRACT

2.1 The Order constitutes an offer by the Customer to purchase Goods and/or Services from the Supplier in accordance with these Conditions.

2.2 The Order shall only be deemed to be accepted when the Supplier issues a written acceptance of the Order at which point and on which date the Contract shall come into existence (**Commencement Date**).

2.3 No Order may be cancelled by the Customer after it has been accepted by the Supplier unless the Customer terminates the Contract under clause 12.1.

2.4 The Contract constitutes the entire agreement between the parties. The Customer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Supplier which is not set out in the Contract. Any specifications, drawings, descriptive matter or advertising issued by the Supplier and any descriptions or illustrations contained in the Supplier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract or any other contract between the Supplier and the Customer for the supply of the Goods and/or Services.

2.5 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

2.6 Any quotation given by the Supplier shall not constitute an offer, and is only valid for a period of 30 Business Days from its date of issue or such other period as may be stated in the quotation.

2.7 All of these Conditions shall apply to the supply of both Goods and Services except where application to one or the other is specified.

3.2 The Supplier shall deliver the Goods to the location set out in the Order or such other location as the parties may agree (**Delivery Location**).

3.3 Any dates quoted for delivery of the Goods are approximate only, and the time of delivery is not of the essence. The Supplier shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

3.4 If the Customer fails to accept or take delivery of the Goods within 10 Business Days of the Supplier notifying the Customer that the Goods are ready, then except where such failure or delay is caused by a Force Majeure Event or by the Supplier's failure to comply with its obligations under the Contract in respect of the Goods the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).

3.5 The Customer will notify the Supplier within 3 Business Days following delivery of any damage or loss to the Goods in transit. The Supplier will not be liable for any such damage or loss if the Customer does not notify the Supplier within this period unless the damage or loss was not apparent from a visual inspection of the Goods following delivery. In this case the Customer will notify the Supplier as soon as it discovers the damage or loss.

4. QUALITY OF GOODS

4.1 Except as otherwise stated in these Conditions, the Supplier warrants that on delivery, and for a period of 12 months from the date of delivery (**Warranty Period**), the Goods shall:

- (a) Conform in all material respects with their description and any applicable Specification; and
- (b) Be free from material defects in design, material and workmanship.

4.2 Subject to clause 4.3, if:

- (a) The Customer gives notice in writing during the Warranty Period within a reasonable time of discovery that some or all of the Goods do not comply with the warranty set out in clause 4.1; and
- (b) The Supplier is given a reasonable opportunity of examining such Goods;
The Supplier shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full.

4.3 The Supplier shall not be liable for any failure of the Goods to comply with the warranty in clause 4.1 if:

- (a) The Customer makes any further use of such Goods after giving a notice in accordance with clause 4.2; or
- (b) The defect arises because the Goods have not been properly installed, maintained or used (unless in the case of installation, the Supplier installed the Goods as part of the Services); or
- (c) The defect arises as a result of the Supplier following any drawing, design or specification supplied by the Customer; or
- (d) The Customer alters or repairs the Goods without the written consent of the Supplier; or
- (e) The defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions; or
- (f) The defect arises because the Goods have been used by the Customer for a different purpose to the use indicated by the Customer at the time when the Order was placed.
- (g) The material being conveyed is not what was specified in the confirmation of order

4.4 Where the Goods have been manufactured by the Supplier to any drawing, design or specification supplied by the Customer then the Supplier gives no warranty that the Goods will be fit for any specific purpose.

4.5 Where the Goods have been manufactured by a third party then the warranty in clause 4.1 will not apply to such Goods but instead the Supplier will ensure that the Customer has the benefit of any warranty or guarantee given by the manufacturer in respect of such Goods.

4.6 Except as provided in this clause 4, the Supplier shall have no liability to the Customer in respect of any failure of the Goods to comply with the warranty set out in clause 4.1.

5. TITLE AND RISK

5.1 The risk in the Goods shall pass to the Customer on completion of delivery.

5.2 Title to the Goods shall not pass to the Customer until the Supplier has received payment in full (in cash or cleared funds) for:

- (a) The Goods; and
- (b) Any other goods that the Supplier has supplied to the Customer in respect of which payment has become due.

5.3 Until title to the Goods has passed to the Customer, the Customer shall:

- (a) Hold the Goods on a fiduciary basis as the Supplier's bailee;
- (b) Store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property;
- (c) Not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
- (d) Maintain the Goods in satisfactory condition and keep them insured against all risks for their full price on the Supplier's behalf from the date of delivery;
- (e) Notify the Supplier immediately if it becomes subject to any of the events listed in clause 12.1(b) to clause 12.1(l); and
- (f) Give the Supplier such information relating to the Goods as the Supplier may require from time to time, but the Customer may use the Goods in the ordinary course of its business.

5.4 If before title to the Goods passes to the Customer the Customer becomes subject to any of the events listed in clause 12.1(b) to clause 12.1(l), or the Supplier reasonably believes that any such event is about to happen and notifies the Customer accordingly, then, provided the Goods have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy the Supplier may have, the Supplier may at any time require the Customer to deliver up the Goods and, if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.

6. SUPPLY OF SERVICES

6.1 The Supplier shall provide the Services to the Customer in accordance with the Specification in all material respects.

6.2 The Supplier shall use all reasonable endeavours to meet any performance dates for the Services specified in the Specification, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Services.

6.3 The Supplier shall have the right to make any changes to the Services which are necessary to comply with any applicable law or safety requirement, or which do not materially affect the nature or quality of the Services, and the Supplier shall notify the Customer in any such event.

- (f) Keep and maintain all materials, equipment, documents and other property of the Supplier (**Supplier Materials**) at the Customer's premises in safe custody at its own risk, maintain the Supplier Materials in good condition until returned to the Supplier, and not dispose of or use the Supplier Materials other than in accordance with the Supplier's written instructions or authorisation; and
- (g) Ensure that all work to be carried out separately by the Customer or its suppliers in conjunction with the Services to be performed by the Supplier is carried out in accordance with agreed timescales and in a manner which does not cause any delays or interruption to the performance of the Services or results in the Supplier incurring additional costs in performing the Services.

7.2 The Customer warrants to the Supplier that the foundations at the Premises are suitably strong and in good condition so as to enable the Supplier to carry out the Services safely and in accordance with all applicable legislation.

7.3 On completion of the Services the Supplier will carry out such tests as are set out in the Specification. Representatives of the Customer will be entitled to attend such tests but if such representatives fail to attend the tests (having been given not less than 7 days prior notice of them) then they will be deemed to have been made in their presence and the Supplier will not be required to carry out any further tests.

7.4 If the Supplier's performance of any of its obligations in respect of the Services is prevented or delayed or if the Supplier incurs additional costs in performing the Services in each case as a result of any act or omission by the Customer or failure by the Customer to perform any relevant obligation (**Customer Default**):

- (a) The Supplier shall without limiting its other rights or remedies have the right to suspend performance of the Services until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations to the extent the Customer Default prevents or delays the Supplier's performance of any of its obligations;
- (b) The Supplier shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from the Supplier's failure or delay to perform any of its obligations as set out in this clause 7.4; and
- (c) The Customer shall reimburse the Supplier on written demand for any costs or losses sustained or incurred by the Supplier arising directly or indirectly from the Customer Default.

8. CHARGES AND PAYMENT

8.1 Subject to clause 8.2 the price for the Goods and Services shall be the price set out in the Order. The price is exclusive of all costs and charges of packaging, insurance and transport of the Goods.

8.2 The Supplier will be entitled to increase the price from the price set out in the Order at any time prior to the delivery of the Goods or completion of the Services:

- (a) If the Customer requests any changes to the Specification of the Goods or Services after the Order has been accepted by the Supplier; or
- (b) To reflect any increased costs incurred by the Supplier in supplying the Goods or performing the Services which have arisen as a result of any change in the exchange rate between sterling and any other currency occurring after the Order has been accepted by the Supplier.

8.3 The Supplier will notify the Customer of any price increase under clause 8.2 as soon as practicable after the Supplier becomes aware of it.

8.4 Except where different payment terms are agreed at the time of acceptance of the Order the Customer shall pay each invoice for the price of the Goods or Services submitted by the Supplier:

- (a) Within 30 days of the date of the invoice; and

Where any taxable supply for VAT purposes is made under the Contract by the Supplier to the Customer, the Customer shall, on receipt of a valid VAT invoice from the Supplier, pay to the Supplier such additional amounts in respect of VAT as are chargeable on the supply of the Services or Goods at the same time as payment is due for the supply of the Services or Goods.

8.6 Without limiting any other right or remedy of the Supplier, if the Customer fails to make any payment due to the Supplier under the Contract by the due date for payment ("Due Date") the Supplier will be entitled to:-

- (a) Suspend any further deliveries of Goods due under the Contract; and/or

8.7 The Customer shall pay all amounts due under the Contract in full without any deduction or withholding except as required by law and the Customer shall not be entitled to assert any credit, set-off or counterclaim against the Supplier in order to justify withholding payment of any such amount in whole or in part. The Supplier may, without limiting its other rights or remedies, set off any amount owing to it by the Customer against any amount payable by the Supplier to the Customer.

9. INTELLECTUAL PROPERTY RIGHTS

9.1 Subject to clause 9.2 all Intellectual Property Rights in or arising out of or in connection with the design or manufacture of the Goods or the performance of the Services shall be owned by the Supplier and the Customer shall not have any rights to any such Intellectual Property Rights.
